Financial statements

IISD Experimental Lakes Area Inc.

March 31, 2017

Independent auditors' report

To the Member of IISD Experimental Lakes Area Inc.

We have audited the accompanying financial statements of **IISD Experimental Lakes Area Inc.**, which comprise the statement of financial position as at March 31, 2017, and the statements of operations and changes in unrestricted net operating deficit, changes in net assets and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's responsibility for the financial statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of **IISD Experimental Lakes Area Inc**. as at March 31, 2017 and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Notes to financial statements

March 31, 2017

1. Incorporation, mandate and tax status

IISD Experimental Lakes Area Inc. ["IISD ELA Inc."] was incorporated on August 21, 2013 under the *Canada Not-for-profit Corporations Act* in which International Institute for Sustainable Development ["IISD"] is the sole member. The Experimental Lakes Area is a freshwater research facility in Northwestern Ontario that has operated as a government research facility over the past 45 years. IISD ELA Inc. assumed control of the management and operations of the Experimental Lakes Area on April 1, 2014. IISD ELA Inc. obtained charitable status in Canada on November 10, 2014.

2. Significant accounting policies

The financial statements have been prepared in accordance with Part III of the *CPA Canada Handbook – Accounting Standards for Not-for-profit Organizations*, which sets out generally accepted accounting principles for not-for-profit organizations in Canada and includes the following significant accounting policies:

Revenue recognition

IISD ELA Inc. follows the deferral method of accounting for contributions, which includes government grants.

Designated grants revenue

Designated grants must be expended in accordance with the funder's designation. Revenue for grants designated for specific current or future activities is recorded in the accounts as the related expenses are incurred.

Sustainable Future Fund revenue

Revenue for Sustainable Future Fund projects is recorded in the accounts as the related expenses are incurred as prescribed in the funding agreement.

Unrestricted donations revenue

Donations are recognized as revenue when the funds are received.

Amortization of deferred capital contributions

Capital contributions are recognized as revenue as the related amortization expenses are incurred.

Investment income

Investment income is recorded on an accrual basis. Investment income includes dividend and interest income, distributions from mutual funds, and realized and unrealized gains and losses, less transaction costs and management fees.

Other revenue

Other revenue includes in-kind contributions and cost recoveries. Cost recoveries are recognized when received, In-kind contributions are recognized upon receipt of the in-kind item(s) and are measured at fair market value.

Notes to financial statements

March 31, 2017

Financial instruments

IISD ELA Inc. initially measures its financial assets and financial liabilities at fair value. Equity instruments that are quoted in an active market are subsequently measured at fair value. All other financial instruments are subsequently recorded at cost or amortized cost.

The financial assets subsequently measured at amortized cost include accounts receivable and fixed income investments. The financial liabilities measured at amortized cost include accounts payable and accrued liabilities, deferred capital contributions, and deferred contributions.

Allocation of expenses

The costs of personnel and other expenses directly related to functions are allocated to each function. General support and other costs are not allocated.

Investments

Investments include cash, equities, fixed income securities and mutual funds. Investments reported at fair value consist of equity instruments quoted in an active market, mutual funds, and fixed income securities and equity instruments not quoted in an active market that the organization designates upon purchase to be measured at fair value. Transaction costs are recognized in the statement of income and changes in net assets in the period during which they are incurred. Transactions are recorded on a trade date basis.

Cash and cash equivalents

Cash and cash equivalents consist of cash deposits and short-term investments with an original term to maturity less than 90 days or able to be cashed on demand. Cash and investments meeting the definition of cash and cash equivalents that are held for investing rather than liquidity purposes are classified as investments and recorded as long-term assets.

Capital assets

Capital assets are recorded at cost. Amortization, which is based on the cost less the residual value over the useful life of the asset, is computed using the straight-line method over the following terms:

Boats, motors and vehicles3 years, no residualEquipment5 years, no residualComputer systems3 years, no residualOffice equipment10 years, 5% residualBuildings20 years, no residual

Leasehold improvements Initial term

Construction in progress is recorded at cost. When the specific project is completed, all capitalized costs are transferred to the appropriate category of capital asset. No amortization is taken on the construction in progress.

Notes to financial statements

March 31, 2017

Intangible assets

IISD ELA Inc. purchased the perpetual right, through a bait block purchase, to be the sole harvester of bait fish on specific lakes and streams. Intangible assets are carried at cost, less accumulated amortization and accumulated impairment losses, if any. Management has determined its Intangible assets have an indefinite useful life and so accordingly, they are not amortized, but are tested for impairment annually. The assessment of indefinite life is reviewed annually to determine whether the indefinite life continues to be supportable.

Use of estimates

The preparation of financial statements in conformity with accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Significant estimates include the useful lives of capital assets. Actual results could differ from these estimates.

3. Restricted cash

IISD ELA Inc. established a fund to cover the costs of the remediation of the ELA sites under certain circumstances, as outlined in the signed funding agreement with the Province of Ontario. IISD ELA Inc. is required to contribute a total amount of \$500 thousand to the fund. The final transfer of \$57 thousand will be made in June 2017. The funds are held in an interest-bearing account, with IISD ELA Inc. and the Government of Ontario having joint signing authority. Based on the restrictions on the use of the funds, the amounts are recorded as restricted cash as well as allocated to restricted amounts within net assets. During the year, interest earned on the account of \$3 thousand as well as another \$125 thousand invested in the account were allocated from unrestricted net assets to the remediation fund.

4. Grants receivable

Grants receivable consist of the following:

	\$000s	\$000s
Manitoba Hydro	94	198
Michael Paterson and Gail Asper	_	96
Thomas Sill Foundation	30	45
Estate of Robert L. Cooke	_	16
	124	355

2016

2017

Notes to financial statements

March 31, 2017

5. Investments:

Investments consist of:

	2017 \$000s	2016 \$000s
Cash	74	_
Common shares, measured at fair value	112	_
Canadian fixed income, measured at amortized cost	276	_
Mutual funds, measured at fair value	323	_
	785	_

All investments are denominated in Canadian dollars and invested in accordance with IISD ELA's investment policy.

Canadian fixed income investments consist of bonds that have a weighted average term to maturity of 9.76 years and a weighted average yield to maturity of 2.17%.

Foreign fixed income investments consist of bonds that have a weighted average term to maturity of 9.10 years and a weighted average yield to maturity of 2.00%.

The common shares and mutual funds consist of a diversified portfolio of widely held publicly traded securities and units of mutual funds. The unit price of these equities will fluctuate with market conditions.

The amounts invested in mutual funds consist of domestic and global bond and equity funds.

6. Capital assets

The categories of capital assets are summarized as follows:

	20	17	20	16
	Cost	Accumulated amortization	Cost	Accumulated amortization
	\$000s	\$000s	\$000s	\$000s
Boats, motors and vehicles	323	259	255	157
Equipment	233	89	114	42
Computer systems	70	44	50	20
Office equipment	20	4	23	2
Leasehold improvements	139	68	138	53
Buildings	34	2	_	_
Construction in progress	670	_	202	_
	1,489	466	782	274
Net book value		1,023		508

Notes to financial statements

March 31, 2017

7. Government remittances payable

Accounts payable and accrued liabilities include government remittances payable of \$6 thousand [2016 - \$4 thousand].

8. Deferred contributions

Deferred contributions are amounts by which recorded funding commitments exceed the revenue recognized.

	2017	2016
<u>-</u>	\$000s	\$000s
Balance, beginning of year	533	88
Deferred contributions received	3,341	2,848
Transfer of interest earned from Sustainable Future Fund [note 11]	6	1
Amounts amortized to revenue	(3,487)	(2,404)
Balance, end of year	393	533
At March 31, 2017, the deferred contributions balances are as follows:		
	2017	2016
<u>-</u>	\$000s	\$000s
Manitoba Hydro	250	320
RBC Foundation	59	_
Michael Paterson and Gail Asper	26	_
McLean Foundation	20	_
Winnipeg Foundation	15	
The Estate of Robert Cooke	12	16
Sustainable Future Fund	6	197
National Energy Board	4	_
Richardson Foundation	1	
	393	533

The deferred contributions are mainly intended to fund long-term monitoring and research on indicators of fish productivity, freshwater science literacy, summer students visiting and working onsite and research infrastructure.

Notes to financial statements

March 31, 2017

9. Deferred capital contributions

Deferred capital contributions represent contributed assets and externally restricted contributions for the purchase or construction of capital assets. These contributions are being amortized on the same basis as the amortization of the related capital assets. The changes in the deferred capital contributions balance for the year are as follows:

	2017	2016
	\$000s	\$000s
Balance, beginning of year	406	203
Capital contributions	570	289
Amounts amortized to revenue	(105)	(86)
Balance, end of year	871	406
At March 31, 2017, the deferred capital contributions balances are as follows:		
	2017	2016
	\$000s	\$000s
Michael Paterson and Gail Asper	692	224
Manitoba Hydro	57	20
Richardson Foundation	47	_
Thomas Sill Foundation	40	45
Government of Canada [Department of Fisheries and Oceans]	35	117
	871	406

10. Commitments

IISD ELA Inc. is obligated to make annual rental payments of \$91 thousand to its parent company, IISD, over the next three years.

11. Sustainable Future Fund

The Sustainable Future Fund was created with the initial donation of capital of \$250 thousand by a private donor. This initial donation, the "Original Capital", was fully expended at March 31, 2017 as per the donation agreement. In the prior year, the fund received "Additional Capital" of \$500 thousand. During fiscal 2017, the fund received additional contributions of \$250 thousand, which is also "Additional Capital". All Additional Capital is to be permanently retained. To the extent possible, the interest earned from the Additional Capital will be used to support two to three summer students each year, as per the agreement.

Expenses amounting to \$197 thousand were incurred during fiscal 2017 [2016 - \$57 thousand], resulting in revenue of that amount being recorded for the Original Capital to match the expenses incurred. The current year interest earned on the Additional Capital of \$6 thousand was recorded in deferred contributions.

The Additional Capital has been invested in an investment portfolio subject to IISD ELA's investment policy [see note 5].

Notes to financial statements

March 31, 2017

12. Internally restricted for capital assets

Change in net assets internally restricted for capital assets relate to assets that were acquired without specific directed funding and is calculated as follows:

	2017	2016
	\$000s	\$000s
Amortization of capital assets	(92)	(79)
Purchase of capital assets	142	51
	50	(28)

13. Financial instruments

The organization is exposed to various financial risks through transactions in financial instruments.

Interest rate risk

IISD ELA Inc. is exposed to fluctuations in interest rates that could affect the cash flows from cash accounts. IISD ELA Inc. does not use derivative financial instruments to manage interest rate risk.

The organization is exposed to interest rate risk with respect to its fixed income investments as well as fixed income mutual funds that holds fixed income securities because the fair value of the investments will fluctuate due to changes in market interest rates.

Credit risk

Credit risk arises from the potential that a counterparty will fail to perform its obligations. Credit risk related to IISD ELA Inc.'s grants receivable is mitigated by the fact that the majority of the receivables are due from established entities as outlined in note 4.

Currency risk

Currency risk is the risk that arises from fluctuations in currency exchange rates, and the degree of volatility of these rates. Since IISD ELA Inc.'s cash inflows and outflows are mainly in Canadian dollars the exposure to currency risk is insignificant. IISD ELA Inc. does not use derivative instruments to reduce its exposure to foreign currency risk.

The organization is exposed to limited foreign currency risk with respect to the underlying investments of its global mutual funds or equity instruments denominated in foreign currencies because the fair value and future cash flows will fluctuate due to changes in the relative value of foreign currencies against the Canadian dollar.

Other price risk

The organization is exposed to other price risk through changes in market prices [other than changes arising from interest rate risk or currency risk] in connection with its investments in equity securities and mutual funds invested in underlying equities.

Notes to financial statements

March 31, 2017

Fair value

The carrying values of accounts receivable and accounts payable and accrued liabilities approximate their fair values due to their short-term to maturity.

14. Related party transactions

IISD is the sole member of IISD ELA Inc. During the year, IISD ELA Inc. earned revenue from IISD of \$6 thousand [2016 – \$10 thousand] and incurred \$488 thousand in expenses under a shared services agreement with IISD [2016 – \$452 thousand]. At March 31, 2017, IISD ELA Inc. has an amount owing to IISD of \$71 thousand [2016 – \$223 thousand].

Of the amount outstanding at the prior year-end, \$173 thousand was treated as a loan and interest at prime plus 2% was charged on balances outstanding through the year. This was repaid during the current fiscal year. The remaining amount in the prior year [\$50 thousand] as well as the \$71 thousand for the current year represent the prior months' expenses due at March 31st and accordingly the balances are non-interest bearing. Interest expense for 2017, prior to the loan being repaid, was charged at a rate of prime plus 3%. Total interest expense for the year was \$4 thousand [2016 – \$2 thousand] and is recorded in administration expenses.

In addition, \$1 thousand of interest revenue was earned from IISD in 2016.

Related party transactions are recorded at the exchange amount and are in the normal course of operations.

15. Economic dependence

IISD ELA Inc. has funding agreements with the Government of Ontario and the Government of Canada ending March 31, 2018 for \$2.0 million and \$1.1 million, respectively, each year. These designated grants account for 80% of the total revenue in the current year [2016 – 81%].

16. Comparative figures

Certain comparative figures have been reclassified to conform to the current year's presentation.
